

Luscious  
Little  
Block 17

Construction ~

- Make templates for each of the pieces or rotary cut the following shapes.

A –  $2\frac{3}{8}'' \times 2\frac{3}{8}''$  cut point to point once to form triangles, B –  $2'' \times 2''$ , C –  $3\frac{7}{8}'' \times 3\frac{7}{8}''$  cut point to point once to form triangles

- Stitch A triangles in sets of two – refer to photo for color placement.

- Arrange A triangle units with B squares – two rows of two for each corner. Stitch each row and then stitch the rows together to form the two corners.

- The remaining two corners are constructed by stitching the C triangles in sets of two. Lay these units and the A/B units in rows and stitch the pieces in each row together. Stitch the rows together to complete the block.
