

- Make templates for each of the pieces or rotary cut the following shapes from your fabrics. A – 2" x 2", B – 2 3/8" squares cut point to point once to form triangles and C – 3 7/8" squares cut point to point once to form triangles
- Stitch a B triangle to each of two adjacent sides of each A square.
- Stitch a C triangle to each of the A/B units.
- Lay out the triangle units in two rows of two. Stitch the units in each row together and then stitch the rows to each other to complete the block.
