Block 19

Please cut ~ Make templates for each of the pieces or rotary cut the following shapes – A $3\frac{1}{2}'' \times 3\frac{1}{2}''$, B $2'' \times 2''$, C $2'' \times 3\frac{1}{2}''$, D $2\frac{3}{8}'' \times 2\frac{3}{8}''$ cut point to point once to form triangles

- Place a B square, right sides together, on a corner of the center square. Stitch point to point on the B square and press back to form a triangle in the corner (trim extra layers in back to $\frac{1}{4}''$ to avoid added bulk in the seams) – repeat for all four corners to form the block center.

- Place a B square at the end of each C rectangle (right sides together) and again stitch point to point on the square to form a triangle – refer to photo for proper orientation. Stitch four rectangle/triangle units.

- Stitch the D triangles in sets of two to form squares.

- Arrange the units created above in three rows of three pieces. Stitch the units in each row together and then stitch the rows one to the next to complete the block.
