Block 20

- Make templates for each of the pieces or rotary cut the following shapes from your fabrics. A – $3\frac{1}{4}'' \times 3\frac{1}{4}''$ cut point to point twice to form triangles, B – $2\frac{7}{8}'' \times 2\frac{7}{8}''$ cut point to point once to form triangles and C – $2\frac{1}{2}'' \times 2\frac{1}{2}''$
- Stitch the A triangles in sets of two and then add a B triangle to form a square (refer to the picture for fabric and shape placement).
- Stitch the remaining B triangles in sets of two.
- Arrange the pieced square units and the C center square in three rows of three pieces. Stitch together the pieces in each row and then stitch the rows one to the next to complete the block.
