

Luscious  
Little  
Block 25

- Make templates for pieces A & B. Be certain to add seam allowances as you cut with templates. Pieces 1-3 are foundation pieced.
- Foundation piece four 1,2,3 units.
- Stitch a B triangle to each of two opposite sides of the center. Stitch only on the seam line – to ¼” from the beginning and end – so that the next seams can be “set in”.
- Stitch a foundation pieced unit to either side of each of the remaining triangles, again stitching only on the seam – not off the edges.
- Stitch these pieces to the A/B unit to complete the block.
