Little  
Blocks

**Block #3 Construction ~**

- Cut A and B pieces from templates being certain to add seam allowances.
- Foundation piece the four triangle units in numerical order.
- Stitch a triangle unit to each of two opposite sides of the

- center square. Stitch only on the stitching line (stopping  $\frac{1}{4}$ " from edges of square).
- Stitch B triangles to remaining triangle units (again stitching on stitching lines - not off edges). Add these units to the center to complete the square.
