

Luscious  
Little  
Blocks

Please cut ~  
Make templates for each shape (be certain to add seam allowances as you cut) or rotary cut the following shapes from the appropriate fabrics (refer to photo).

- A triangles cut 2 3/8" squares point to point once
- B triangles cut 3 7/8" squares point to point once

To construct ~

- Stitch A triangles in three sets of two to form squares (refer to picture for fabric placement). Add two A background triangles to each of two adjacent sides of the triangle squares to form a larger triangle. Stitch a B triangle to each.
- Stitch the remaining B triangles together and then lay out the units in two rows of two. Stitch the pieces in each row and then stitch the rows together to complete the block.
